Campaigns

Home Page

Place your message on the Home Page of The Gospel Herald. Through Home Page placements, you have the ability to control some of the most valuable advertising space on Gospelherald.com, while building message and product awareness. With the Home Page Rectangle Top or the Masthead Banner Ad, you can maximize the impact of your marketing and advertising messages to the entire Gospel Herald audience.

Article Page

Placement on the Article Page ensures you will reach the broadest audience on The Gospel Herald. Your ad will be viewed on more than 100,000 articles. Each article is searchable on various search engines, including Yahoo and Google, Sinanet, Baidu, Kimo, etc. Your advertisement will be viewable while users actively consume articles of interest.

Section Page

Placement in the Section Page allows for targeting to a particular group of audience among thousands of visitors who visit our website daily. Through narrowing the exposure to a section page that your target audience finds most relevant, your chances of getting a higher ROI increases significantly. We encourage you to consider such option for targeting purposes.

Weekly e-Newsletter

Over 15,000 church and ministry leaders and co-workers from the Chinese Christian communities around the world subscribe to The Gospel Herald's weekly e-newsletter. Banner ads placements in the newsletter are excellent channels to reach the influencers in your target constituencies, who would have the highest probability of spreading the word about your products and services.
